Care Instruction:
We recommend washing the parts of the product that come into contact with food before first use.

For ongoing care, clean the product after each use as follows:

• Wooden parts should never be immersed in water. Clean them with a damp cloth using clean lukewarm water and neutral soap, then dry immediately.

• Metal parts can be hand-washed with clean lukewarm water and neutral soap, followed by thorough drying.

• Plastic parts can also be hand-washed with clean lukewarm water and mild soap, then dried.

• Avoid using abrasive sponges, harsh detergents, pressure washers, or dishwashers!

• After washing, store the product in a clean indoor environment, away from moisture and direct sunlight.
