Pulizia

Care Instruction:
We recommend washing the parts of the product that come into contact with food before first use.

For ongoing care, clean the product after each use as follows:

• Wooden parts should never be immersed in water. Clean them with a damp cloth using clean lukewarm water and neutral

soap, then dry immediately.

• Metal parts can be hand-washed with clean lukewarm water and neutral soap, followed by thorough drying.

• Plastic parts can also be hand-washed with clean lukewarm water and mild soap, then dried.

• Avoid using abrasive sponges, harsh detergents, pressure washers, or dishwashers!

• After washing, store the product in a clean indoor environment, away from moisture and direct sunlight.
Varnished wood, granit, marble, aluminum
We recommend using a damp cloth. Do not use solvents, detergents or abrasives. Do not immerse in water, dry immediately after cleaning.
Mirror polished stainless steel
It is recommended to hand wash with a neutral detergent.
PE, porcelain, glass, satinated stainless steel, chromed steel and brass
All removable components can be washed in the dishwasher. If it is not removable, we recommend hand washing it with neutral detergent.
Swivel casters
Hand washing with a soft cloth and neutral detergent is recommended. After washing the product must be dried.
