Pezzi di ricambio

Set of 4 wheels diameter 125 mm (all with brakes)

Pulizia

PE, porcelain, glass, satinated stainless steel, chromed steel and brass

All removable components can be washed in the dishwasher. If it is not removable, we recommend hand washing it with neutral detergent.
Faucet, beverage container

“It is recommended to empty the container after each use to prevent intense colored liquids from leaving traces.

It is advisable to disassemble and wash the taps after each use with hot water and salt. Reassembly must take place after drying. Please follow the instructions included with the product.”
Varnished wood, granit, marble, aluminum

We recommend using a damp cloth. Do not use solvents, detergents or abrasives. Do not immerse in water, dry immediately after cleaning.
Swivel casters

Hand washing with a soft cloth and neutral detergent is recommended. After washing the product must be dried.
Electrical components, gas stove

Cleaning and maintenance must strictly comply with the instructions attached to the product.
